

Telemetry Upgrade equipment installation application

Form Preview

About the grant

* indicates a required field

Instructions for Applicants

Before completing this application form, you should have read the [Grant Guidelines](#). Incomplete applications and/or applications received after the closing date may not be considered.

Application Number

This field is read only.

Program Details

The [Telemetry Uplift Program](#) aims to assist eligible water users in the Murray-Darling Basin with compliance to the metering rules, to ensure water taken from inland regional water sources is extracted fairly, equitably and according to the rules.

The Program provides financial assistance to eligible landowners through the installation of telemetry equipment by Government contractors at no cost or through a reimbursement to landowners who have engaged a Duly Qualified Person (DQP) at their own expense.

Eligible water users who wish to engage the government contractor to install the telemetry devices should register their interest on the Telemetry Uplift Program page [Telemetry Uplift Program | Water](#).

Eligible water users who wish to claim a cashback can continue with this application.

Grant Program Name

This field is read only.

The program this submission is in.

Disclaimer

The Applicant acknowledges and agrees that:

- submission of this application does not guarantee funding will be granted for any project, and the Department expressly reserves its right to accept or reject this application at its discretion;
- it must bear the costs of preparing and submitting this application and the Department does not accept any liability for such costs, whether or not this application is ultimately accepted or rejected; and

- it has read the Funding Guidelines for the Program and has fully informed itself of the relevant program requirements.

Use of Information

By submitting this application form, the Applicant acknowledges and agrees that:

- if this project application is successful, the relevant details of the project will be made public, including details such as the names of the organisation (Applicant) and any partnering organisation (state government agency or non-government organisation), project title, project description, location, anticipated time for completion and amount awarded;
- the Department will use reasonable endeavours to ensure that any information received in or in respect of this application which is clearly marked 'Commercial-in-confidence' or 'Confidential' is treated as confidential, however, such documents will remain subject to the Government Information (Public Access) Act 2009 (NSW) (GIPA Act); and
- in some circumstances the Department may release information contained in this application form and other relevant information in relation to this application in response to a request lodged under the GIPA Act or otherwise as required or permitted by law.

Privacy Notice

By submitting this Application form, the Applicant acknowledges and agrees that:

- the Department is required to comply with the Privacy and Personal Information Protection Act 1998 (NSW) (the Privacy Act) and that any personal information (as defined by the Privacy Act) collected by the Department in relation to the program will be handled in accordance with the Privacy Act and its privacy policy (available at: <https://www.nsw.gov.au/departments-and-agencies/dcceew/information-access-governance-and-feedback>);
- the information it provides to the Department in connection with this application will be collected and stored on a database and will only be used for the purposes for which it was collected (including, where necessary, being disclosed to other Government agencies in connection with the assessment of the merits of an application) or as otherwise permitted by the Privacy Act;
- it has taken steps to ensure that any person whose personal information (as defined by the Privacy Act) is included in this application has consented to the fact that the Department and other Government agencies may be supplied with that personal information, and has been made aware of the purposes for which it has been collected and may be used.

Eligibility Confirmation

Please declare this application meets the Program eligibility criteria:

Telemetry Upgrade equipment installation application

Form Preview

In order to be eligible for the cashback:

Title

Installation of a local intelligence telemetry device

Word count:

Brief description

Reimbursement for the installation of a local intelligence telemetry device by a duly qualified person to measure water take data

Telemetry Upgrade equipment installation application

Form Preview

Word count:

Anticipated start date

The date indicated is the program start date.

Anticipated end date

The date indicated is the program end date.

Primary location of your initiative

Address

Indicate the location of the water meter by placing a pin on it's approximate location. Alternatively a street address or geographical location can be entered e.g. suburb. If you are applying for a rebate for multiple LID installation please choose only one of the locations.

Water NSW Meter Validation Certification information

Use the *Add More* button if applying for a reimbursement for more than one LID. If you have a work approval number for multiple LIDs include the work approval number on each line.

Water NSW work approval number

The work approval number appears within the 'Details of Approved Works' section in the Water NSW Meter Validation Certificate
Must be equal to 10 characters.

LID certification date

The certification date appears within the Certification section in the Water NSW Meter Validation Certificate
Must be a date and between 30/6/2024 and 1/7/2027.
